

Summer Menu

THE SHIP - STRENSALL

We are a family run, family friendly great British pub, serving good food, real ales, fine wines & spirits.

Our chefs draw upon their vast experience and use local and seasonal produce to create innovative dishes as well as pub classics.

The provenance of our ingredients matters to us and we like to support our local farmers and suppliers.

Please let us know of any allergens or dietary requirements and we will do our best to accommodate! Allergen information is available on request. Although we try our best, we prepare our food in a kitchen with products containing gluten and nuts as well as other allergens... therefore we cannot guarantee that any food is '100% free from' any allergen due to the risk of cross-contamination. Our 'Ships chips' are made from Estima potatoes and are hand cut fresh everyday, served slightly salted!
